

Heath®/Zenith Door Chimes

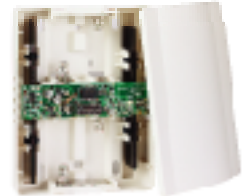

Welcoming Sights, Welcoming Sounds

Welcome home to the sights and sounds that have graced homes throughout the world for over half a century. Heath/Zenith, the industry leader, offers by far the broadest product selection of any door chime manufacturer. From the simplicity of our Basic series to the elegance of our Classic Décor series, we offer door chimes and accessories to suit every need.

Our door chime product offering includes over 40 wired chimes, 70 wired push buttons and 35 wireless chime kits. In keeping with our constant efforts to combine superior sound with home décor trends and market needs, we have developed the **first ever** wireless solid brass and lighted push buttons as well as the **first ever** wireless door chimes with true tone bar sound.

With a long standing commitment to innovation and excellence, Trine Products Company and Heath Company, Ltd. have come together under the umbrella of DESA International to ensure unrivaled product quality and unmatched customer devotion. With product warranties ranging from one to five years, we stand behind our product and work tirelessly to serve the needs of our ever expanding customer base.
